Luxury travel, arranged by people who know the sea

We are an Italian company specialising in crewed luxury yacht charters. In the Mediterranean and the Caribbean we arrange the boat and everything else: a chef on board, private flights, transfers and major events. One team, from the first request to the return to port.

WHAT WE CAN ARRANGE

01

Crewed yacht

The boat as your base for the event, in port or at anchor, subject to availability and port rules.

02

Tickets and hospitality

Grandstands, terraces and hospitality areas, where available for the chosen event.

03

Accommodation

Hotels, villas or chalets near the event, for the days you want.

04

Transfers

Chauffeur-driven cars, helicopters, private jets and tenders, coordinated with the programme.

Being on a yacht is not the same as having a ticket: seats to watch the event are added separately. Our proposal tells you clearly what is included and what still needs to be confirmed.

01

Choose the event

Tell us which one, when and for how many people.

02

Receive the proposal

A single proposal covering the boat, seats, stay and transfers.

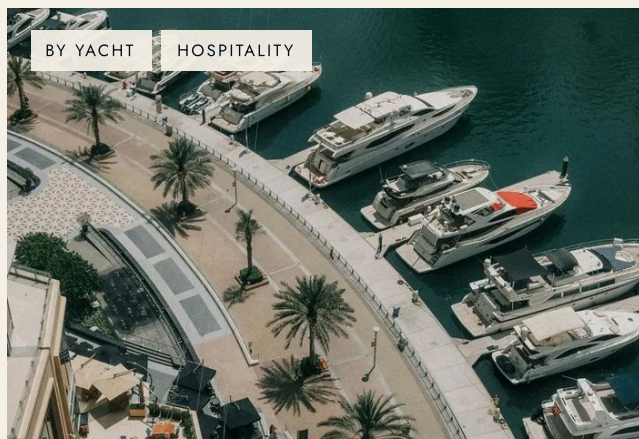

03

One point of contact

We coordinate everything, before and during the event.
